LB 700, 700A

take effect on January 1 Senator Kahle. That's the only thing that it does. I move for the adoption of this amendment.

PRESIDENT: Record your vote. Please vote. Have you voted.

CLERK: 25 ayes, 0 nays, on the adoption of Senator Barnett's amendment Mr. President. I have nothing further on the bill.

PRESIDENT: Senator Barnett.

SENATOR BARNETT: Is that the only amendment we have on the bill? Then I'd move for the advancement of LB 700.

PRESIDENT: All in favor say aye. Contrary say nay. The bill is advanced. How about the A-bill Senator Barnett?

CLERK: Mr. President, I do have an amendment offered by Senator Carsten. The amendment may be found on page 1261 of the Legislative Journal.

PRESIDENT: Senator Carsten.

SENATOR CARSTEN: Mr. President and members of the Legislature. The amendment to the A bill is a division of the appropriations and is also an increase into what the original appropriation was. The first section, as you see in the amendment, deals with the services only and is \$91,800 from the General Fund. The second section is for the administration and to this amount is \$45,150 from the General Fund. This is broken down into these two categories for the simple reason that as Senator Barnett said on LB 700, the changing of the dates, that come July 1 the Department of Welfare in order to get geared up for this will have to do some preparatory work in cooperation with the Department of Corrections and the Juvenile Court judges and probation officers, etc. In addition to this to have personnel trained properly to be able to implement LB 700. By January 1 it is estimated then that the administrative part will be pretty well in hand and that the remaining part then will be turned over to the services area. So, I would move for the adoption of the amendment, Mr. President.

PRESIDENT: Record your vote. Record.

CLERK: 25 ayes, 0 nays, on the adoption of Senator Carsten's amendment Mr. President.

PRESIDENT: It's adopted.

CLERK: I have nothing further on the bill Mr. President.

PRESIDENT: Senator Cullan.

SENATOR CULLAN: Mr. President, members of the Legislature, I move that LB 700A as amended be advanced to E and R for engrossment.
